Hop On Over to The Betton Hills Easter Egg Hunt!

Nancy Proctor

The bunny is back with plenty of eggs! Join your Betton Hills neighbors for an old-fashioned Easter Egg Hunt in **Chittenden Park** (Sycamore and Chouteau on **Easter Weekend, Saturday, March 30th, at 11:00 A.M.** All ages welcome! **Please drop off 1-2 Dozen Plastic Eggs (Per Family) Filled with treats at the Park Before 10:30 A.M. the Morning of the Hunt** so the Easter Bunny can get them hidden before the youngsters arrive (stash them on the bench under the tree in the center of the rose garden). **You can also drop them off in the basket on my front porch at 1511 Spruce Avenue (Green Metal Roof) anytime the week of April 2nd. We will gather at 11:00 A.M. THE HUNT WILL COMMENCE AT 11:15 SHARP!!**

Please remember to bring your Easter baskets!!! As in previous years, we will have a separate hunt area for the "under 3's", so don't hesitate to bring your youngsters! Photo ops will abound! Come meet with neighbors and enjoy some time with old friends. If you would like to help or have questions, contact: **Nancy Proctor (850) 459-9798**. We look forward to seeing you there!

Chairman, Nancy Proctor & close friend!!

Upcoming Events

Easter Egg Hunt
Saturday, March 30th
11:00AM – 1:00PM
Chittenden Park

BHNA Block Parties Month
April and May

Saturday, May 4
8:00AM – Noon

Betton Hills SpringFest
Saturday, April 27th
12:00-3:00 PM
Harriman Circle Park

Food Truck Thursdays
June 20
September 19
Time and Locations
To be Announced Later

Looking Forward to Great Events in 2024!

Eliza Hawkins, BHNA President

Happy Spring 2024 to all in Betton Hills! We have a great lineup of events on tap this year so save these dates on your calendars TODAY!

March 30th - **Easter Egg Hunt in Chittenden Park** at 11am-1pm (Saturday)

April 27th - **SPRINGFEST 2024** - 12pm to 3pm (Saturday) – There will be food trucks, free ice cream for BHNA dues paying members, live music, and Kool wheels of all kinds. Any neighborhood resident who is not a paid up member can sign up at the BHNA Membership table (and then get your free ice cream)!

May 4th –Betton Hills Sponsored Garage Sale - 8am to 12pm (Saturday) - Start sorting through your junk . . . I mean your valuable pre-owned treasures and get ready to join our annual neighborhood yard sale. The BHNA places advertisements and creates a map of homes to share with residents and the general public. By April 29th, sign up by going to **bettonhills.org.** Click "Upcoming Events". Scroll down to Garage Sale and click on it. At the bottom of the Garage Sale page, use the entry form to add your location to the map and register for the sale.

June 20th – Food Truck Thursday – Location and time to be determined.

September 19th – Food Truck Thursday – Location and time to be determined.

October 13th - **FALLFEST 2024** – (Sunday afternoon) - Enjoy the usual lineup of games, food trucks, live music and more!

December 24th – Christmas Caroling in Harriman Circle - 4pm (Tuesday) – Help! We are still looking for a volunteer to lead the Christmas caroling so if you have an interest in leading/organizing the singers and musicians please contact me at President@BettonHills.org.

If you are not already receiving BHNA emails sign up here to get email reminders for all these great events: https://www.bettonhills.org/mailing-list/

The BHNA thanks you all for your generous financial support these past few years which allowed us to put on these great events. We can't do it without you! If you have never attended any of our BHNA sponsored events, please consider attending one this year. Attending neighborhood events is a great way to have some fun, meet your neighbors, make new friends, and get engaged in neighborhood issues.

I'd also like to gently remind those who have not paid your voluntary dues for 2024 to do so. I'd also like to request that those previously sending a paper check to our PO Box, please consider using our credit card site (https://www.bettonhills.org/join/). It is much easier for us to process credit card payments! We use Stripe payment processing, and they are very reliable and safe for payments.

As always, if any of you would like to help us organize these events or join the Betton Hills Board of Directors please email president@bettonhills.org. Or reply to any of our Betton Hills Association emails.

SAVE THE DATE!!! – All New "SPRING FEST" (Saturday, April 27, 12p-3p)

Jim Ward/Mario Taylor

BHNA is excited to announce that this year's annual Spring Fest will provide more fun, food, and entertainment than ever before for kids and adults alike – all arranged by your BHNA board! As always, the event will be a wonderful opportunity – at a great time of year – to come out to Harriman Circle and meet your fellow "Betton-ites." So, mark your calendars now for April 27th from 12pm to 3pm, and don't miss it!

WHAT'S NEW THIS YEAR? We will have food trucks, as well as our traditional ice cream truck, so that you can get your lunch on, as well as free dessert! Also, for the first time, we will have games for the kids. Last, but not least, we will have free live music for the first time -- an amplified guitar duo, who will perform and sing your favorite tunes!

BRING THOSE WHEELS! As always, this year's Spring Fest will give everyone the opportunity to show off their favorite Wheels. Whether it's your Stroller, Bike, Little Red Wagon, Hybrid/Electric Car, Classic Muscle, or Model-T – if it's got wheels, cruise it on over to Harriman Circle, meet your neighbors, and enjoy a fun filled spring afternoon.

***SPECIAL: FREE ICE CREAM BENEFIT FOR BHNA MEMBERS**: As in years past, all BHNA members get one free serving ticket per family member. Get yours at the sign-in table. Not a member? Join now (https://www.bettonhills.org/join/) or at the sign-in table at the event. There will be an express ticket line for neighbors who have already paid their dues.

A Fun, Productive, and Warm Arbor Day 2024

Donna Legare

The Good People of Arbor Day 2024

Betton Hills Neighborhood Association celebrated Arbor Day this year on Saturday, January 27. We had an excellent turnout (43 total) and were pleased to welcome 15 FSU students who volunteered their time through their university club, **Environmental Service Program** (ESP). They have worked on invasive species removal at McCord Park several times before, but this is the first time they have joined us on Arbor Day.

We started the morning with hot chocolate, Lucky Goat Coffee, and donuts from Duck Donuts (notice the Shop Local emphasis). **Lynn Bannister** secured the refreshments and stayed at the welcome table to direct latecomers. **Vanessa Crisler** helped organize folks into crews and directed latecomers to work groups.

Tom Schulte led a crew to clean out the two wood duck houses and the five bluebird nest boxes. Several of the children joined this team. It is always interesting to see the old nests that are removed. We had noticed wood duck breeding behavior recently on the pond, so it was good to get their nest boxes ready.

Jody Walthall and Richard Crisler and their team attacked invasive vines growing among the trees between the paved trail and the pond, primarily cat's claw vine (bright yellow flowers). They also removed ligustrum trees, privets, and seedling tallow trees. Cat's claw vine has become a big problem in our neighborhood and is spreading rapidly in the park. They cut the vines and dug out their tubers.

Randy Murrell and Donna Legare organized a team in a naturally maintained bed near the park sign on Trescott. This bed had been hit hard during the downbursts last September. Cat's claw vine was particularly bad here growing up all the trees and young ones sprouting on the ground. Our team dug and dug to get those tubers out. There are still more to go – next time!

Kris Ellington led a group of volunteers in the woodland between the paved trail and Thomasville Road where we had previously removed copious amounts of ardisia along with ligustrum, privet, mimosa, Taiwan cherry, loquat, and other invasive plants. This time the focus was on ardisia plants that had sprouted up from berries that were in the "seed bank" on the forest floor.

Mike Brezin and Jim Ward led a group to tend the plantings along Trescott. We did our original Arbor Day in this area and the trees are now quite mature. They removed weeds from the bases of trees and spread pine straw. Their group also planted three native plants - a redbud, a basswood and a Simpson's stopper.

Mary Kay Falconer and her team tended the previously planted trees and shrubs in the woodland closest to the bat house, pulling vines, weeding, and spreading pine straw. The needle palms in this area are striking in their beauty.

It is amazing to see all that was accomplished in a little more than two hours. We also planted two trees (spruce pine, white oak) in the large Armistead woodland where we had lost several big pines and hardwoods during the downburst.

The City of Tallahassee provided twenty-five bales of pine straw that we spread around previous plantings throughout the park. In addition, the park staff graciously picked up our piles of vegetative debris and bags of ardisia berries and trash.

If you contributed to the Carol Bellamy Fund when you paid your dues, you helped fund these activities. Thank you.

I would also like to thank **Michael Bannister and Barb Shoplock** for putting up the Arbor Day signs around the neighborhood. **Casey McLaughlin** posted Arbor Day information to the website, board president **Eliza Hawkins** sent out email blasts and **Mary Kay Falconer** made the Facebook announcements. Also, thank you **Bob Walker** for your diligent care of the saw palmettos (he worked on these on Friday afternoon and during the event!)

Thank you to the following participants (forgive any spelling errors or omissions):

Meet a BHNA Board Member: Courtney Doker

A little personal background to set the context . . . how did you decide to live in Betton Hills, how long have you lived here, perhaps what you do for work/hobbies, etc.

Hello! I am Courtney Doker, and my family and I are relatively new to Betton Hills. We moved to Tallahassee two years ago, drawn by the desire to be closer to family as we started our own. I am originally from Atlanta and my husband, Jeff, is a Tallahassee native. When we were deciding where to live, we looked at several neighborhoods, but Betton Hills, with its live oaks, rolling hills, and Komodo dragon, always stood out. We were searching for a balance of in town living with a peaceful, community-oriented neighborhood, and we feel we have found that here.

At present, I am a full-time mom to our 2.5-year-old Charlie and 7-month-old baby Henry. Before having children, I spent 13 years working as a product designer and design leader in the technology space. I am also an avid gardener and am looking forward to seeing my beds of native wildflowers, bachelor buttons, and basil bloom this spring, with cosmos and zinnias to follow in the summer. I love hiking, camping, and exploring our beautiful Florida state parks.

Now that you've lived in Betton Hills for a while, how does the neighborhood compare with your initial impressions? Since moving to Betton Hills, the neighborhood has grown from being just a place to live into a community that genuinely feels like home. Our children's experiences have enriched our own: watching the seasons change on our daily walks in McCord Park, greeting the migratory birds each winter, visiting the community garden and the little free libraries, and participating in neighborhood events throughout the year.

One challenge I did not anticipate, however, was finding other neighbors with young children. If you have kids around the same age and would like to connect, please do reach out!

What prompted you to get involved with the BHNA board?

I decided to join the BHNA board because I wanted to contribute to the community and meet new people. This neighborhood has been cared for by those who lived here before us, and I wanted to help continue that tradition.

What kinds of things would you like to help the BHNA accomplish?

As a board member, I am particularly interested in children's events. I want to help make Betton Hills a magical place for our kids to grow up. I also care deeply about the local ecology and wildlife and want to support efforts to beautify our parks and restore native plants and wildlife.

McCord Culvert Update: Buffer Restoration

Jim Ward

Culvert Project Overview – Positive Impact

The McCord culvert project, along the west side of Betton Hills, was completed by the City last fall, at a cost of several million dollars. It eliminated an earthen ditch that had existed for years, but which was experiencing soil erosion and other problems. The project replaced the ditch with a cement box culvert, which was buried and then topped with sod. The project seems to have improved storm water drainage considerably.

Negative Impact – Lost Visual, Sound, and Safety Buffers

Early in the project, it was understood that some trees would need to come down along the west boundary of numerous west Trescott homes to make way for the box culvert. Although the City advised it would employ mitigation strategies to preserve as many trees as possible, the full extent of the tree removal that occurred surprised many. The tree loss was dramatic enough to cause a substantial loss of visual screening of the commercial properties and traffic on Thomasville Road for many west Trescott and other residents. The lost tree buffer also caused greater noise and light intrusion. Finally, elimination of the earthen ditch erased a natural "safety buffer" against potential trespass for our west Trescott residents.

BHNA, Resident, and City Engagement to Restore the Lost Buffers

The BHNA (led by Board Members Jim Ward, Mary Kay Falconer, and Donna Legare), along with several Trescott residents, actively engaged with various City engineers and Parks officials to pursue restoration of the lost tree and safety buffers.

Ultimately, the City agreed to take two major steps to help restore them. First, the City planted a remarkable number of trees on the grass path along the McCord culvert, in January 2024. Second, in February, the City began installing a 10' black, vinyl-coated chain-link fence (with privacy slats) along the west boundary of the Trescott homes bordering the culvert.

McCord Culvert Plantings and Fence Installation

The "healing steps" taken by the City above are a testament to what this neighborhood can accomplish when we work together on important issues. The buffer restoration process has taken nearly a year. As such, it also is a testament to what can be achieved when we apply patience and diplomacy – rather than anger or frustration – when working with City officials. In sum, we are excited about the new "McCord Greenway" that's been created and we encourage you to walk it and see the impressive restoration for yourself!

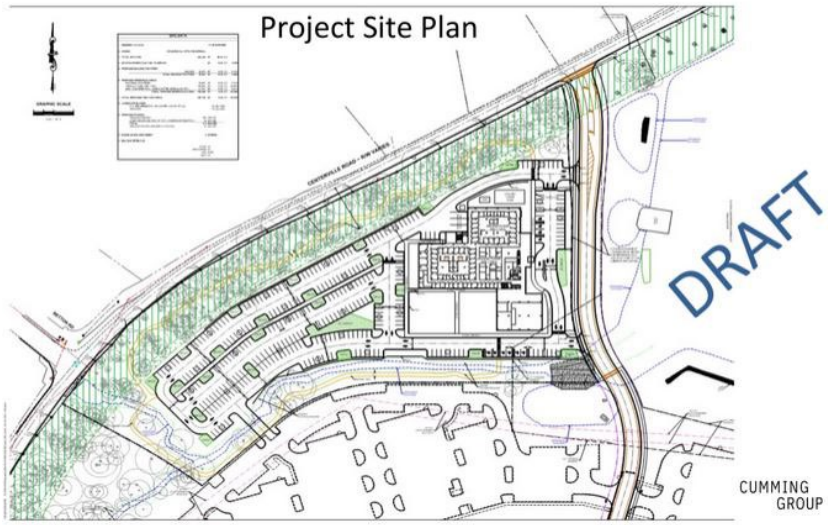
New Construction Along Centerville Road

Mike Brezin

You may have grimaced in dread upon seeing the survey stakes and land clearing along Centerville Rd. north of Betton Road. This is the beginning phase of the construction of a new building. This article summarizes a site plan submitted last January. While this site plan has been withdrawn by FSU, our current thinking is that the site plan will be resubmitted in a not radically different way.

The Skinny

The building, the FSU Academic Health Center, will house the Family Medicine Residency Clinics, Conferencing Center, the Institute for Digital Health, and research with labs. It will top out at four floors and include approximately 130,000 sq. ft. of usable space. The building fronts east and the back faces Centerville Rd. The canopy road buffer along Centerville Rd. will be maintained. The site plan depicts a separate but concurrent project, a road extension between Surgeons Drive and Centerville Rd., labeled Nurses Drive to provide access to and egress from the new building. Nurses Drive was approved in a "Development Agreement" between the City of Tallahassee and TMH in 2016. The parking lot will provide approximately 312 spaces.



Nurses Drive on right, Centerville Rd. along top, Betton Rd intersection lower left.

The Issues

At the initial meeting of FSU, TMH, and neighborhood representatives (BHNA and Pilckem Ridge residents), the following concerns were expressed:

- Increased traffic on already overburdened Centerville Rd. and Betton Rd. adversely affecting motorist and pedestrian safety.
- Noise and lighting from the facility as loading dock, trash compactor, AC Cooling Tower, etc. face Centerville Rd.
- A diminishing tree canopy on the Centerville Canopy Road.

The BHNA will continue to engage with the City of Tallahassee, FSU, and TMH to minimize the impacts of these issues. The building completion date is estimated to be late 2026.

'Round'em Up and Move'em Out with The BHNA Garage Sale!

Melissa Jacoby

A year has passed since the last BHNA Garage Sale and you're wondering how you possibly could have accumulated so much stuff! Don't worry. We have a perennial opportunity for you to declutter. On **Saturday, May 4, from 8 a.m. until noon**, BHNA will sponsor its annual neighborhood garage sale.

To promote the community garage sale, BHNA will advertise the event on Craigslist, in the Tallahassee Democrat, and on the BHNA website and Facebook. Shoppers will be directed to the BHNA website for a list and map of participating households.

WHAT YOU'LL NEED TO DO:

Register your sale at: https://www.bettonhills.org/events/neighborhood-garage-sale-2024/ by **Saturday, April 29th**. Get your stuff together! On the day of the sale **(May 4)** place a sign in your yard so shoppers can easily find you. Even if you don't get around to registering, we still welcome your participation.

A REQUEST: Residents living next to Harriman Circle or McCord Park

The City Parks Department has asked the BHNA to request that residents refrain from putting yard waste on park property. So please, if you live around Harriman Circle or adjacent to any city park, don't pile your yard - or household-waste on a park's border. Keeping the borders clear enhances the enjoyment of the parks for the entire neighborhood. Also, waste piles impede the ability of the Parks Department to carry out normal park maintenance, such as mowing. Thanks for your consideration and cooperation.

Hold a Spring Block Party

Tom Schulte

Please consider hosting a block party between the months of April and May. We say block, but it can involve any-sized group of neighbors. The BHNA will reimburse you up to $50.00 to offset party expenses. (Just provide us with a receipt.) It's a great way to get to know your neighbors. To receive reimbursement, send a copy of your receipt along with your name and address to: Tom Schulte at tschulte@ausley.com, or via U.S. Mail to 1581 Marion Ave, Tallahassee, FL 32303. We encourage you to please send a picture or two of the event as well, so we may use it on our Facebook Group or future newsletters to help promote block parties.

2024 BHNA PAID MEMBERS: THANK YOU

The BHNA Board of Directors extends a special thank you to members who have already joined for 2024 as of February 8th! If you don't see your name on the list, please renew/join BHNA at: https://bettonhills.org/join.

*Indicates members who contributed to one or more of BHNA's special funds.

Betton Hills Neighborhood Association

Join or Renew
Your Betton Hills Neighborhood Association Membership!

You can join or renew online, via secure credit card payment, or you can mail us a check. Our suggested dues are $10 a year. Dues are voluntary. Your dues to the Betton Hills Neighborhood Association (BHNA) are used to fund special events, the BHNA website ***(https://www.bettonhills.org/)***, enhance our neighborhood parks, and print and mail bi-annual newsletters, among other things.

Not sure if you're a current member? Please check our BHNA website membership directory ***(https://www.bettonhills.org/members/).*** It is kept up to date as we receive credit card payments and process checks.

Please write your donation amounts below: Additional Donations will be allocated at the discretion of the BHNA board among the Bellamy, Mansfield, and Robertson on-going project funds. See fund descriptions: (***https://www.bettonhills.org/funds/***):

2024 Dues Year: November 1, 2023 through October 31, 2024 at $10: _____
